## Editorial Policy

The Mandom Group has been publishing the Mandom Report (integrated report) since 2018 to help our stakeholders understand our medium- to long-term efforts at value creation. Mandom Report 2019 also integrates the previously separate KohDoh Report (CSR report). This has been done as part of our work on providing integrated information as a company and to enhance the non-financial information we provide. When editing this report, we put together a brief summary focused on information that is highly important for improving Mandom's corporate value while referring to the "Guidance for Collaborative Value Creation" released by the Ministry of Economy, Trade and Industry and other resources.
