Notification of Recording Extraordinary Income (Profit from Sale of Investment Securities)

We sold a part of our investment securities and recorded an extraordinary income (profit from sale of investment securities) as shown below.

1. Details of profit from sale of investment securities

- | | |
|--|------------------------------------|
| (1) Issues sold: | 2 issues of stock listed |
| (2) Sale period: | From August 2020 to September 2020 |
| (3) Profit from sale of investment securities: | 1,755 million yen |
| (4) Reason for sale: | Effective use of financial assets |

2. Perspective

The above profit from sale of investment securities is recorded as extraordinary income in the second quarter of the fiscal year ending March 2021, which was not included in the forecast for the FYE March 2021 released on July 30.

The impact of the above profit on performance of the FYE March 2021 is being examined, with other factors taken into consideration. If we find it necessary to revise the forecast, we will disclose relevant information promptly.
